Placement and Guidance Cell

The Placement Cell at our Degree College has been instrumental in bridging the gap between academia and industry. Placement cell strive for excellence and further strengthen its industry connections to ensure the best possible career opportunities for students.

14th September 2022

A special seminar was held to initiate the awareness about start-ups. Dr. Bhawana Paliwal and Mrs. Priscilla MB Nathan were hosts for the event. The program was inaugurated by lighting of the lamp. There were 3 speakers who were entrepreneurs right from when they were students.

Crafting Business

The first speaker, Ms. Priya Maniraj spoke about how she started her crafting journey just as a passion and how it turned into a well doing business. She gave small ideas to start own homemade businesses.

Digital Marketing

The next speaker Ms. Saakshi Goyal was an owner of a digital marketing agency. She guided the students as on how to move forward in life even if there are many challenges. She shared how she started her entrepreneurial journey at the age of 18 and now how successful she is.

Herbal Brand

The next speaker Ms. Priscilla MB Nathan also gave a quick glimpse of her business journey like how a problem in her body changed into a business idea and how she came into business when she was in her last year of degree.

All the 3 speakers were students when they started their own ventures so it was really motivating for the students to hear their stories. The seminar was ended by a speech by our CEO & Secretary, Dr. Adv. CJ Abhyankar Sir and our Principal Dr. YS Kadam Sir.

15th September, 2022

On this day, three more sessions were conducted for the students.

Ms. Reema Joshi made us understand completely about the concepts of stock market. Specifically about the stock exchange. She also shared few tips to study the stock market, the various options available to start investing. She guided on how to open a demat account to start with trading. Her session was ended with her explaining the different terminologies used in stock exchange.

The second session was led by Dr. Mitali Shelandkar who guided the students about the career options available in various fields in the market. Like in commerce, students are usually only aware about few courses such as CA, CS, Law to name a few. But she brought forward a various range of career options available for the commerce students such as analyst jobs, digital marketing jobs, media jobs, trading jobs, etc.

The third session was taken by Shri Sandip Patil. He discussed about the various competitive exams that's currently going on in the education field. Competitive exams like banking, SSC, MPSC, UPSC, CA exams, etc.

It was indeed a fruitful session for all the students who attended it.

16th September, 2022

Dr. Sagar Waghmare had spoken about finance field. He pressed on the importance of financial independence for students. How to do budgeting, building financial habits, saving and investing. And he also shared his personal experience in his success journey.

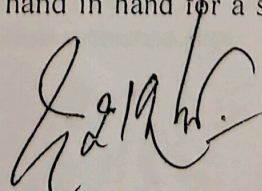

Prof. Sachin Trimbake, our own faculty spoke about preparing for the career race. He enlightened the students the reality of the market and what are the extra works that has to be done in order to stand out of the rat race and face the world.

28th January, 2023 Siddharth Goenka (Investors Awareness Programme) nsdl farmers
An important session was conducted to spread awareness about investments. Our guest speaker, Siddharth Goenka spoke about various investment plans especially about NCDEX- IPFI (Investor Awareness Program on Commodity Derivatives Market). NCDEX stands for "National Commodity & Derivatives Exchange Limited." It is one of the leading commodity exchanges in India, facilitating the trading of various agricultural and non-agricultural commodities through futures contracts. He elaborated on the various investment beneficial available to the farmers. Well-regulated commodity markets benefit everyone, from farmers to brokers and other stakeholders. These markets encourage better investment opportunities in an agricultural ecosystem, which improves the infrastructure of this sector.

1st February, 2023 Shobha Sharma (Career Guidance after Graduation)

Career guidance is of paramount importance for individuals at various stages of their professional journey especially after graduation because after graduation is the first time the students face the reality of the corporate world. The workshop specially conducted for career guidance covered the following points:

1. Career Exploration: Graduates might have a limited understanding of the various industries and job roles available to them. The workshop offered insights into different career options, including potential growth opportunities and required qualifications.
2. Resume and Interview Preparation: A well drafted resume and a power packed interview will fetch anyone a good job. Both these things has to go hand in hand for a successful job gain.

3. **Skill Development:** Graduates may need to enhance certain skills or acquire additional qualifications to stand out in the competitive job market. Career guidance can identify skill gaps and recommend appropriate training programs to boost employability.
4. **Exploring Further Education:** Some graduates may consider pursuing higher education or specialized certifications. Career guidance can provide insights into the potential benefits of further education and recommend suitable programs based on individual career goals.
5. **Transitioning to the Workforce:** After graduation, many individuals may feel overwhelmed about entering the job market so a guidance for transitioning is a must.

2nd February, 2023 Neha Kothari (Preparation for Job Interview)

A preparation for job interview workshop organized to help students to overcome their anxiety and prepare them for the interview. The workshop can cover the following topics:

1. The workshop can provide guidance on how to research the company and its culture to understand what they are looking for in a candidate.

2. The workshop can provide tips on how to create an impressive resume that highlights one's skills and experience.

3. The workshop can provide guidance on appropriate attire for an interview and how to make a good first impression.

4. The workshop can provide guidance on how to conduct oneself during an interview, including body language, tone of voice, and communication skills.

09th February 2023:

Dr. Advocate C. J. Abhyankar (Consumer Protection and Career in Law) Our own secretary and CEO, Dr. Adv. C. J. Abhyankar conducted an informative session on Consumer Protection and Career in Law. He explained the entire concept of Consumer Protection Act by which we understood that consumer protection ensures that

consumers are safeguarded against unfair practices, deceptive advertising, and unsafe products. It aims to promote fair trade, provide accurate information, and empower consumers to make informed choices while ensuring their rights and interests are protected in the marketplace.

He also elaborated on various career options in law that students from any field of graduation can opt. A career in law offers opportunities to advocate for justice, represent clients in legal matters, and uphold the rule of law. Lawyers research, analyse, and interpret laws, provide legal advice, and play a critical role in resolving disputes and shaping society's legal framework. Some of the career options available in the law fields are corporate counselling, government jobs, human rights advocacy, legal practice, etc

IT Guest Lecture

Guest lectures are special presentations or talks given by individuals who are invited to speak at an educational institution or an event. These individuals are typically experts or professionals in a specific field or have unique insights or experiences to share. The purpose of a guest lecture is to provide students, faculty, or attendees with an opportunity to learn from someone outside their regular academic or professional circle. It allows them to gain new perspectives, knowledge, and practical insights related

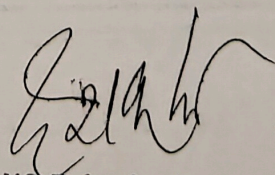

to the topic of the lecture. We, at Nirmal Degree College make sure to conduct regular guest lectures for

the students so that they are updated about the current market trends.

Some of the guest lectures that we conducted are as follows:

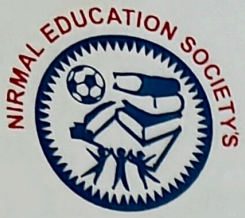

27th October, 2023: (Dr. Shweta Kumar)

Dr. Shweta Kumar was invited to present a guest lecture on the topic 'Database Management System'. The students got to learn that database management refers to the process of organizing, storing, and manipulating data within a database system. Database management encompasses activities like data modelling, data entry, data retrieval, data updating, and data deletion. It also involves optimizing database performance, managing backup and recovery, and monitoring system resources. Effective database management is crucial for ensuring data consistency, accuracy, and availability, as well as enabling efficient data access and manipulation for applications and users. It plays a vital role in various industries, including business, finance, healthcare, e-commerce, and more.
