Prof. Saroj Lohar (Women Development Cell Head)

VENUE : Nirmal Degree College of Commerce

DATE : February 2nd, 2019

Women Development Cell of Nirmal Degree College conducted Rubella Vaccination Drive in collaboration with Rotary Club, Kandivali (west) where in the President Shri. Uday Shah who duly explained the female students about the benefits of Rubella Vaccination.

As earlier visits of Rotary Club Members Dr. _____ had already explained that this vaccination is indeed going to be beneficial for their physical well being .

They got consent from their parents and this drive was held wherein he made sure that all of them get vaccinated on the said day.

In this session 49 female students were vaccinated.

This programme ended with thanksgiving speech by Mrs. Saroj Lohar duly expressing her gratefulness towards all.
