Department of BAF Overview

Established in 2021, The Department of B.Com (Accounting and Finance) or BAF focuses on equipping students with specialized knowledge in accounting and finance. It offers programs tailored to develop a deep understanding of financial principles, practices, and regulations essential for careers in accounting, finance, and related fields. The curriculum typically includes subjects like financial accounting, management accounting, taxation, auditing, corporate finance, and financial management.

Aims & Objectives

- **Educational Excellence:** Provide a rigorous program in accounting and finance, ensuring strong academic foundations.
- **Professional Development:** Prepare students for careers in accounting, finance, and related fields through practical experiences and industry-relevant skills.
- **Ethical Standards and Industry Relevance:** Emphasize ethical conduct and stay current with industry trends, ensuring graduates are well-prepared and ethical professionals in the financial sector.
